

I'm not a robot!

Viewing all 454 articles Page 1 Page 2 Page 3 ... The Last Page I made this spreadsheet to organize the use of modes should and should and should in the past and present. It focuses more on the past aspect and also includes questions that line the answer to be constructed in the passive voice. If there is any recommendations ... This spreadsheet can be used to teach the principles to check their understanding of the use of the modal verb, can/not express the ability of someone. This spreadsheet will help students enrich their vocabulary with some new words. Next you can/can not express skill: Speaking cards in this spreadsheet your small students (I recommend this spreadsheet for elementary school students) should read short sentences and guess who says them (who can do this). The spreadsheet includes two variants for print-corner and black and white. I hope you are ... next test in modes and intensifiers [for Spanish students] can, no one can not see a set of cards designed to develop speech skills in elementary. It is not possible to express the ability to over the task. I designed it to my 4th grade students from Mae © Dio, he is based on the class book, which the government provides (Chilean). I hope it is. The test has vain parts, but the most focus on the use of modal verbs, Mig ... Previous test in modes and intensifiers [for Spanish students] is a very good spreadsheet to work with children when teaching the use of duties and vocabulary related to disease. It has a variety of questions that may require a large amount of productions from your students. The drawings and exercise are yes ... Then you should not be that you should not be a general knowledge activity. This is a general knowledge activity for children to practice different ways of questions about the past in a fun way. Includes à œWh-€ questions (Which, What), The Past of à œCan € (could), à œHow long € and the Past Simple of à œeto Beá € (Were ) questions.it includes ... Originally created for a teaching class of teaching in South Korea, but the spreadsheet can also be used for a elementary school classroom. Students should look at the photos of Lilo and Stitch and write what they should not be doing in one or more ... here is a 2 and attractive gramonic worksheet 2 pages on modal verbs and 3 different activities to go with it, where students are invited to fill the blank spaces with the most appropriate fashion ... Student has to look at the images and write phrases describing the character's skills. It can be used with elementary school students. The spreadsheet includes activities such as bicycle riding, skateboarding, horse riding, whistle ... Anterior modal verbs: can for skills paper cards for a group of 8 students. Two cards are given to a pair of students, they are instruments about a problem that need to talk to your neighbor, you can always add similar cards from your own, or after they did the ... Next modal verbs Activity Problems of previous neighbors RPG Students fill in the blank spaces with Must or Must to complete the sentences. It can be given before the exams or for a review. It is suitable for 4th, 5th and 6th degrees. It is in word format so that teachers can make the necessary changes if they want. Thanks. NEXT MUST / MUSTNEN™ T Worksheet Previous Must: Handout of Modal Verbs This activity was made for students who are difficult to learn modal verbs. It is a gap filling activity, in which students must choose the correct modal for the sentences and, better, understand by the context of the sentences. If they are you... the 3 should - giving advice Previous activities of modal verbs This is a very simple worksheet, suitable for elementary school students, to teach and should not. There is a brief explanation at the top of the Page followed by an Activity in which students are asked to complete the sentences they use should or should not. Modal 3 for the FCE (no exercises) Previous should/should not worksheet I use fictional problems to make students give advice to each other. They give each student a problem (you prefer not to be sure that they don't) and make other students give advice. Don't be afraid to make them use too @m - if I ... ^ verbs for previous modal verbs (exercises) - giving advice explains us for modal verbs (obligation, permission, request, possibility, prohibition, skill). Use and examples for FCE students and teachers. I hope you don't find it useful, evaluate and comment:) info@tuclase.net following, reformulating the modal verbs of the previous worksheet for fce (no exercises) modal exercises. Multiple µ, correcting errors, complete sentences. Exercises for adult students for the first examination certificate. I hope you don't find that helpful. Rate and comment info@tuclase.net then can or can't? - Primary worksheet previous modal verbs for FCE (Exercícios) Useful worksheet. Practice modal verbs by reformulating 20 sentences. (can, can, be able to, have, can, can, wait, hope you don't find it useful!! It needs the answer ... to follow, avoiding repetition, losing the previous words, reforming the worksheet of modal verbs, make students make sentences using capacity or not, when you finish asking them to write about yourself or a classmate. Without saying who he/she is! th count of the! ^ can and cannot display Can PowerPoint or can't? he can? and consolidate identification and usage of the correct time when continuing or responding to a sentence.
